Letter from our Ministry Team

Dear Friends and Neighbours,

“Be fruitful and multiply”

In our Harvest Thanksgiving Service we offer to God our produce in gratitude for the bountiful yield and His generous provision for our needs, for the labour of farmers and gardeners, and the rain, sunshine and growth of the crops through God’s grace.

We give thanks also for those who contribute in other ways to our well-being and material needs, for the productivity of our industries, public services, schools and universities. We offer also as a Harvest offering to God our skills, expertise and time, to be used for the benefit of others as well as ourselves.

Above all we thank God for the spiritual growth and harvest of souls, for those who have allowed the Word to grow in their hearts, and who give their fruit by sharing the love of God with everyone they meet, especially those who are still seeking the spiritual side of their lives.

We thank God for the seed of His word in our hearts that is growing and bearing fruit through His grace. Our gift is to be aware of and alert to the spiritual needs of others, and to find out where God is working among us, so that we can join in bringing in the Harvest in God’s Kingdom.

Yours in Christ
Rev’d Victor Barley

St Andrews during Vacancy

General enquiries

The churchwardens will manage general enquiries (weddings, baptisms, funerals etc) and liaise with the Area Dean and Archdeacon for support. We encourage the use of the church as normal during the vacancy.

Churchyard and building

We are very grateful to the band of volunteers who help keep the building and churchyard in good order. Everything from grass cutting and flower arranging to minor repairs. We would really love some more help. Even a few hours once a year makes all the difference.

As always, we are extremely grateful to the ongoing support of the PCC.

Burledge Iron Age Hillfort

On Friday 30th October at 7pm, Stowey Church will host a presentation by Andy Mayes about Burledge Iron Age Hillfort:

‘Prehistory and the Poor House’.

Andy is a professional Archaeologist with over 30 years' experience in the field and as a consultant. He has worked on many of our key heritage sites, including the Stonehenge World Heritage Site and the Historic Royal Palaces.

Burledge is an early Iron Age promontory hillfort dating from around 800BC, but with indications of earlier Bronze Age farming. Recent geophysical survey suggests that the hillfort contains a well-preserved settlement including several round houses.

In addition, within the hillfort is the former site of a late 18th Century Poor House which served some of the villages in the wider community. Andy's research on the hillfort has also led to the discovery of a potentially important oval banked enclosure of unknown date within fields to the east. The enclosure is located within fields named 'Nimblett' on early maps. This name is very unusual and may derive from the Celtic term *Nemeton* or sacred enclosure.

Andy's research on Burledge presents an intriguing glimpse into our local pre-historic and more recent past, which it's hoped will lead to further investigation.

Come and learn more from Andy, in the beautiful environment of this historic church. There'll be plenty of opportunity for questions. Book now to secure your place!

SCHOOL NEWS

Chew Stoke Church School says farewell and thank you to Rev Ian

Chew Stoke Church School recently said a very special thank you and farewell to Reverend Ian, during the school's end-of-year Leavers' Service at St Andrew's Church, Chew Stoke.

Rev Ian has played an important role in the life of the school. He has worked hard to forge and strengthen the links between the school, St Andrew's Church and the wider community, becoming a much-valued presence to pupils, staff and families.

Rev Ian has led many worships in school, helping pupils to explore and celebrate their Christian faith, and has also shared his love of music by leading two school choirs. Through these opportunities, he has helped pupils to develop their confidence, enjoy singing together and become more connected with the life of the local church and community.

The school was delighted to be able to thank Rev Ian during the Leavers' Service at St Andrew's Church, which provided a fitting opportunity to celebrate his contribution to the school and to say farewell as he prepares to take up his new role as Rector of Bath Abbey.

Headteacher Ben Hewett said: "Thank you, Rev Ian, for everything you have done for our school and the wider Chew Valley community. You have worked hard to forge strong links between the school, St Andrew's and the local community, and your support and enthusiasm have made a real difference to our pupils and families".

The school community looks forward to continuing its strong relationship with St Andrew's Church and the wider churches of the Chew Valley, while wishing Rev Ian every success and happiness as he begins this exciting new chapter at Bath Abbey..

Revised draft Local Plan – possible housing on Hedgehogs. This has been published, and was agreed to go forward to public consultation at the B&NES Cabinet meeting on the 10th Sept. The consultation period runs from 16th Sept until 23rd October. The revised Plan is the B&NES response to the Government doubling the overall house building target for the area from 14,000 to 27,340. Included in the proposal is up to 100 houses on Hedgehogs field in Chew Stoke. The PC last year did support the then designation of up to 30 houses on this site. This addresses the principle of using the site, which is in the greenbelt, and outside the housing development boundary for up to 100 houses. As such it is not a planning application, but a designation. The landowner is keen to meet residents to discuss their thoughts for the site, CSPC arranged 2 drop-in sessions for residents to meet the landowner and ask questions. CSPC is keen to hear residents' views. CSPC will agree its response as a statutory consultee at the Parish Council Meeting on October 1st (7.30pm in the Village Hall).

The recording of B&NES Cabinet Meeting last week may prove helpful in explaining the bigger picture and current situation and can be found at:

[B&NES Cabinet Meeting Sept 2026](#)

The relevant sections are from 40-50mins and 1.21-1.26mins.

Dangerous driving and racing in the Chew Valley – a campaign group called RORR (Rescue our Rural Roads) has been formed and is busy raising the issues and meeting with key personnel at B&NES, Avon and Somerset Police, the Police and Crime Commissioner's Officer and Government. Evidence is still needed by the police, please continue to report what you can to 101, or 101 online, or 999 if there is a danger to life.

Youth Provision in Chew Stoke – football goals have been set up in Rectory Field. A Working Group has been set up to move ideas forward with a new Chair. CSPC welcomed the input from 2 younger members of the village who have also offered to do some fundraising. Discussed plans to have a concrete table tennis table at the bottom of Rectory Field, (& hire bats from the shop, possibly have sail for shade over the top of the table). To progress.

Councillor vacancy – we currently have 2 vacancies on Chew Stoke Parish Council, now is a great time to consider joining a great team and giving it a go. Please contact us on clerk@chewstokeparishcouncil.gov.uk for more information.

Next meeting: Thursday 1st October 7.30pm in Chew Stoke Village Hall.

The Outfit (15)

Mark Rylance stars as Leonard, an English expert cutter who runs a tailor's shop in Chicago and must outwit a dangerous group of mobsters in order to survive a fateful night. His customers include a group of vicious gangsters who use the shop as a stash house for dirty money and messages. Leonard tolerates this arrangement as the men are his best customers. After a gangland shooting, Leonard is forced to treat one of the wounded mobsters and hide a briefcase containing a copy of an FBI recording with detailed information on the crew's operations, provided by Al Capone's nationwide syndicate, "The Outfit". The gangsters suspect a rat in their midst and the quest for the insider plays out in a tense series of events in and around the shop. This American psychological thriller / crime drama is the directorial debut film from Graham Moore with a neat twist in the end. <https://www.imdb.com/title/tt14114802/>

Chew Valley Gadget Busters - here to help with digital devices

October 14th, The Queens, Chew Magna

November 11th, The Stoke Inn, Chew Stoke

Having difficulty using the local buses App or website to book a ride? Or do you have problems using your laptop, iPad, tablet, phone or digital camera? Or maybe you want to make video calls, send photos or use WhatsApp to contact your friends and family, but don't know how.

Chew Valley Gadget Busters are holding face to face sessions, thanks to The Queens pub in Chew Magna and the Stoke Inn, Chew Stoke. So do visit **Gadget Busters** who are here to help.

Either book an appointment by e-mailing cvgadgetbusters@gmail.com, or turn up on the day. We hold one 2-hour session each month, from 12.30-2.30 pm on a Wednesday, alternating between Chew Magna and Chew Stoke. It costs £3 per appointment, all of which will go to charity.

Members and visitors attending our September meeting were once again treated to a wonderful presentation by Richard Rickitt. His fascinating and richly illustrated talk outlined the perils faced by bees and other pollinators in the UK; under threat from the modern-day onslaught of pesticides, loss of habitat and intensive agriculture. Inspired to think about bees and our gardens in a new way I, for one, am looking forward to creating a pollinator oasis!

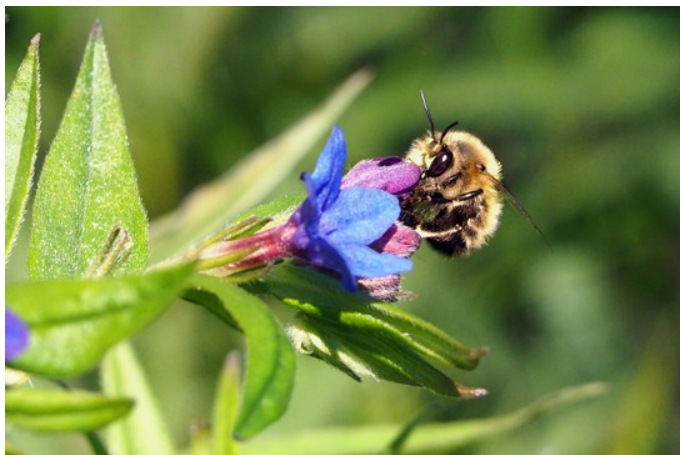

Hospice Care Week 2026 takes place from 5-11 October, and CSWI members are pleased to announce they will be hosting

**A Proper Coffee Morning on Saturday 10 October
to raise funds in support of
Dorothy House Hospice Care.**

Keep an eye out for further details on local social media and posters around the village.

Wednesday 28th October
Keynsham Abbey, Characters and Events

Elaine Cook, Chair of Bristol History and Archaeological Society, will be talking about Keynsham Abbey at our October meeting. An Anglo Saxon Minster and burial ground had made Keynsham a place of significant religious importance and by the twelfth century there was a large, rich and powerful Augustinian Abbey. Nowadays, few people know of its existence, and little physical evidence of it remains, but archaeological work which took place during and after the building of the Keynsham by-pass has revealed a wealth of information.

Visitors are very welcome to this event, space permitting, with a donation of £3 a head. Booking in advance is essential (see below) although you can pay on the night.

West Hartree Memorial Hall. BS40 6EG Doors open at 7.15pm for 7.30pm.

Visitor booking opens on October 14th and closes at 5pm on October 27th.

Chew Stoke Harvest Home 2026

The village came together to celebrate the changing of the seasons on 5th September at Chew Stoke Harvest Home. Around 2000 people enjoyed entertainment, good food and a wide variety of stalls.

The Flower Show received an abundance of entries with a special mention to Steven and Sue Read who collected three awards between them. (See photo) A highlight this year was the two bands of very talented Chew Valley School musicians, Sonder and Given, who played throughout the afternoon. A revamped Dog Show brought to us by Debbie Neal from Pet Hub was extremely popular.

A special thank you to Joanna Tiley and the Ogborne family for supporting this wonderful and well loved village event.

None of this would be possible without a committed team of volunteers. If you would like to join the committee please contact info@chewstokeharvesthome.org.uk.

Felling

FELLING: Dangerous or damaged tree? We can help. Many tree pruning and removal jobs are very unsafe for the average homeowner to do himself or herself. As professional Certified Arborists we have the necessary skills, equipment and fully insured and licensed to get the job done correctly and safely.

STUMP REMOVAL: Removed a tree in the past? Can't get rid of that pesky old tree stump? We can completely remove your old tree stumps using powerful machinery. Great if you want to free up some valuable garden space or just want to plant something new!

Reductions

REDUCTIONS: Healthy trees just keep on growing! When yours gets a little out of hand, we can reduce the height of the tree, and the outside dimensions to make it more manageable and let more light into your garden. We carry out our works to [British Standards 3998](#), so you can be sure we won't harm your tree... just give it a haircut!

Low lifts

CROWN LIFTS: Low hanging branches getting in your way? Do you need to clear the branches off your property? We can remove low branches safely without damaging the tree so you can gain access to parts of your garden. We can lift the crown of your tree to your requirements

We cover Bristol and the surrounding area, just give us a call on **07764 633 003** or send an email to holroydtgs@gmail.com if you'd like a quote.
